

# AFS 172

You've got more than a few animal mouths to feed and you desire to give them high nutrition that doesn't empty your wallet! It's time for you to meet the **AFS 172!** This big guy will feed up to 63 large animals every day. If you've got dairy goats, you're looking at fresh grass for up to 189 goats per day!

Once you have the opportunity to see the superior feed grown in this machine along with the cost savings analysis, you will understand exactly why you need this machine and the benefits it'll bring to your livestock operation! For example, with a 100 head dairy cow herd, this machine will pay for itself in 381 days and save you over \$30,000 a year every year thereafter! Don't delay, call today and order your **AFS 172!**
